Sir,

Re entertainment of two carts at R25/- each in Arkalgud Municipality for removing rubbish

---

I have the honor to state that the Municipal President reported that two carts are engaged at R15/- each p.m by the Municipality for removing rubbish of the Town, that on account of high prices carts are not secured at this rate during the year, that though tenders were called for no person came forward to undertake the work etc , and recommended sanction to the resolution of the Municipal Council to entertain two carts at R25/- each P M advancing R200/- to the cartman As it was not desirable to advance R 200/- for this purpose the Municipal President was requested to consult the Municipal Council once again as to whether it would not be better to raise the cart hire to R 20/- without the payment of any advance The Municipal Council have again resolved on 6-1-1945 to entertain two carts at R25/- each p m paying the advance of R 200/- as no carts could be secured at the original rate of R15/- p.m

The President has reported that one cartman who was employed on R20/-p.m left the service from October 1944, that another cartman was employed from 20-12-44 at R25/- p.m in anticipation of sanction and recommends sanction to the action taken by him and to the employment of another cart at R25/-p.m during the year

As the cartman employed even on R20/- has left off service and no person is likely to be secured at lower rates on account of high prices I request that sanction of Government may kindly be obtained to the employment of one cart at R20/- p.m from 1-7-44 to 30-9-44, and then a cart at R25/- p.m. from 20-12-44 to end of the current year and one more cart at R25/- during the remaining months of the year.

The cost will be met out of the provision made for the purpose in the sanctioned budget of the current year

A copy of the resolution of the Municipal Council dated 6-1-45 is enclosed

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
